

## **Become our Franchisee!**

Hi there,

Thank you for your interest to joining us as a franchisee!

Being a part of the Vivo Pizza Franchise team is much more than the usual franchisee experience out there in the market, as we really deep dive into your needs and assist you to better serve your customers. We are a family-owned business, and we are always looking for passionate people who are eager to learn to join our family.

We have a strong team of F&B experts who is dedicated to help you succeed in this highly competitive industry. Our professional training programs are designed to equip you with the skills needed to excel.

You might also be wondering if you would need extensive F&B experience prior to joining, it will be a plus if you do have but really it is not compulsory as we will be here to guide and assist you along the way!

Joining us also doesn't require heavy investments. Just to give you an idea, you will need an initial investment of approximately RM500k – RM1.2m which is inclusive of a RM50k franchise fee (though subject to change due to outlet location and size). The franchise term is for 5 years and there's a royalty fee of 5%. By lowering the start-up costs, you can focus on scaling your business.

Of course needless to say, we are all foodies here at Vivo Pizza – which means that preparing delicious meals with fresh ingredients is in our core. We also ensure that our food is served with a smile – always.

Please fill in the following form and email us back, and a representative will get back to you shortly.

We look forward to getting back to you!

Thanks so much in advance,  
Vivo Pizza Franchisee Team
